**SAMI VOGELER**

# ENGLAND

## her story

Sami Vogeler began attending The Bible Chapel at the age of 10 and was actively involved in many areas in Student and College Ministries. She was greatly impacted on her first mission trip to Panama in 2014, where she first developed a love for missions. Her second trip to Panama in 2016 had a lifelong impact on her. After high school, Sami attended Cosmetology school and began working in the hair industry. She felt something was missing and wanted to develop her faith and learn how to share Christ through her vocation. So, in 2018, she signed up for a three-month Creatives Internship with YWAM (Youth With A Mission) Radiant in London, followed by a five-month DTS (Discipleship Training School). This began her missionary journey.

YWAM is an international organization founded in 1960 that has teams in over 180 countries. YWAM's goal is to "Know God and Make Him Known" through evangelism, training, and ministry. In 2019, Sami joined YWAM London Radiant as a member of staff, initially as a hair stylist, and helping to launch Think+ Coffee and Ink, a non-profit initiative that serves as a hub for outreach to the community of Camden. Although she still manages the hair salon at Think+, doing hair and helping to train interns, her responsibilities have grown to include Base administration.

Internship School Leader, Young Adults Ministry Leadership Team, a member of Arise Ministry, and many other areas of service within the YWAM Base and their church plant, Hope and Anchor Church.

The Bible Chapel has partnered with Sami since the Summer of 2023.

# MARCH 2024

## PRAISE

- ❖ After working on the renovations of the warehouse basement in Hackney Wick, London, since October 2023, The Cave is now OFFICIALLY open!
- ❖ Our church released our first worship album.
- ❖ My residency was approved. It couldn't have been done without the financial and prayer support from all of you.
- ❖ We have a flat! As Jetson and I are getting married in two months, we have been looking for a space to live. We will be living with people, but we have a floor and bathroom to ourselves. This will help the rent be much cheaper for us and more affordable for our first year of marriage.

## PRAYER

- Jetson and I would greatly appreciate prayers as we navigate the road to marriage! We get married on May 9th, so we could use many prayers for the next two months and the years ahead.
- The finances of the next year. We are so blessed in finding a space to live and having an official roof over our heads for when we get married! A true praise. The rent is a bit more than what we currently pay, so we will still need to raise extra funds per month. Prayers that God would open doors and provide in this as well as finances to furnish our new space.
- The Cave! As it is open to the public officially, prayers that people would not only come to the space but also that the space would really impact the area. We want to be able to reach different groups of people and impact their lives when they come in. We also want to create a space for the community. London can be so lonely, especially as artists, so we want to help them feel understood and have a community.
