Impact
Global Prayer Ministry

D and L were both influenced by the churches they grew up in as they learned about how the Lord was working in the nations. They both have great memories of the Global Outreach weeks at their respective churches and hearing from different Global Workers. During these early years the Lord planted seeds in their hearts with a desire to serve overseas.

A few months into their first semester at Liberty University, they got to know each other and discussed how they wanted to serve the Lord in the future. After praying for months, they both felt called to reach the unreached. They both decided that nothing was more important to them than serving the Lord. They soon began the process of praying over the 10/40 window and the unreached areas within. Through this time, God revealed that Thailand was where He wanted them to go.

The first 12-24 months on the field will be dedicated solely to learning the heart language of the people of Thailand (Thai). Following this, they will still be improving their Thai language skills while focusing on church planting. They will spend their time engaging in discipleship and evangelism with the goal of seeing indigenous, Christ-centered churches naturally reproduce.

The Bible Chapel has partnered with this couple since the summer of 2023.
