The Alvarezs

T H E I R S T O R Y

Federico was born in the Canary Islands and came from a Christian family. He accepted Christ as his Savior at the age of nine, and at the age of 17, he began to serve in the youth ministry. At 25, he decided to study at Sefovan Seminary, where Ken Muckle taught. There, he met his wife, Lucía, and they were married in 2007.

Lucía was born in the former Czechoslovakia in a militant, atheist, and communist family. Her parents taught her that human beings had the capacity to achieve a just and good world, but in their home, they suffered a lot of violence, alcoholism, and problems with the law due to fraud and scams. Having traveled to Spain, she, her mother, and brother met an evangelical pastor with whom she began to study the Bible and converted when she was 15 years old. Right away, she felt a very deep burden to share Christ with others so they could have the same healing and hope that she experienced.

Fede and Lucia have four children, Andrea born in 2009, Eva in 2010, Veronica in 2012, and Simon in 2016. Fede and Lucia work as church planters in Cabanillas del Campo. Fede is the pastor of the church. Lucia organizes and teaches the children's and teen programs. Together they do a lot of counseling with their church members, who are all first-generation Christians.

The Bible Chapel has partnered with the Alvarez family since the summer of 2023.

April 2025

P R A I S E

- The children's camp was a great blessing.
- Because the work on the new premises has already begun
For God's provision for our family
- For the involvement of more brothers serving in the church
- For the health improvement of Lucia's mother
- Because of Lucía's stable health, the medication makes her heart work better.
- For our children's good grades in the second quarter.

P R A Y E R

- For the wisdom of God to continue shepherding the church
- For the salvation of Lucia's mother and brother, (María and Michael)
- For the families of children and adolescents who are not believers
- Pray for the conversion of Jorge and Jara. Jara is an atheist; when we met her, every time she heard something about God, she would burst into tears. But she's been able to see that we live Christ, not just a religious life. She told us she'll send her son to the next children's camp, even though she knows we'll be talking about God. Lucía has also started volunteering two Thursdays a month in the library at Simón's school, where she helps Jara. Jorge declares himself agnostic, and I've also been able to have some good conversations with him.
- Pray for the conversion of these people:
- Alejandro and his family, wife and two children.
- Pray for Desire and her family. She's a high school classmate of Veronica's who has been bullied for a long time, but with Veronica's friendship, she's now attending church with the teen group.
- -Pray for Julio and his family. He's a classmate of Simon's who came to camp. Simon had been inviting him and praying for him for a while, so it was something special from God for Simon too.
- - For the wisdom of God to teach our children in the fear of God
