## The Lingenhoels

**T H E I R S T O R Y**

**Both Jonathan and Meagan grew up as the children of missionaries in Budapest, Hungary - Jonathan moving there in 1991 as a 1 year old, and Meagan, when she was 7.** While they didn't know each other well during their time in Hungary, they both ended up going to the same university and hit it off immediately.

After college they moved onto the mission field in Budapest as tent makers, working with a local church plant, but when their first child (Saphira) was born they could not financially support themselves and had to move back to the States. Within a couple of years the Lord brought them to Washington, PA, where they began to attend the Bible Chapel's Washington campus. A year later Jonathan took on the role as pastor of youth and outreach, and soon afterwards Meagan became the worship director for the campus.

**After 7 years of serving at the Bible Chapel it was an unexpected surprise when the Lord opened the door for their family of 5 to pursue international missions yet again, this time with the backing of an entire Church.** In Hungary, Jonathan and Meagan teach at an International Christian school whose students are less than 50% believers. They seek to leverage their love and knowledge of the Hungarian people's language, and culture to be witnesses for Jesus in every way that they can.

## October 2024

**P R A I S E**

- Great fall retreat, where the gospel was clearly proclaimed, students had a blast, and deeper connections were made! We are really enjoying our time teaching, connecting with students on a deeper level, and challenging their worldviews!
- Saphira and Emerson have made some good friends here in their classes for which we are so grateful!

- We are leading worship for the first time in the church we are partnering with here (Danube International), pray that we are able to lead the congregation well and bring glory to God through the use of our gifts and the words of our mouths.
- We are starting up GGYG, which is Great Grace Youth Group, and a chance to get deeper into the word of God and disciple students who are interested in growing in their faith!
- Judah is still struggling to connect and going through a bit of a rebellious phase. Please pray for his little heart and for us as we try to shepherd him with firmness and patience.
