**SAMI & JETSON
VOGELER**

ENGLAND

their story

Sami Vogeler began attending The Bible Chapel at the age of 10 and was actively involved in many areas in Student and College Ministries. She was greatly impacted on her first mission trip to Panama in 2014, where she first developed a love for missions. Her second trip to Panama in 2016 had a lifelong impact on her. After high school, Sami attended Cosmetology school and began working in the hair industry. She felt something was missing and wanted to develop her faith and learn how to share Christ through her vocation. So, in 2018, she signed up for a three-month Creatives Internship with YWAM (Youth With A Mission) Radiant in London, followed by a five-month DTS (Discipleship Training School). This began her missionary journey. Sami met Jetson in 2018 where they did their DTS together. Jetson loves God and the arts and has been passionate about missions since joining the London team. Sami and Jetson got married in May of 2024 and are continuing their ministries and missions together.

In 2023, they joined as full time volunteer staff with Hope and Anchor Community Church (a church they have been a part of since coming to London). This church also partners with their arts charity, One UK. Through these two charities they have continued their ministries in London and have grown in responsibilities and leadership. Sami joined initially as a hair stylist for the church's salon, Think+ coffee and ink, a non-profit initiative that serves as a hub for outreach to the community of Camden. She still helps to manage the salon, but has also grown in responsibilities with the base administration and helping to lead the church's young adults ministry alongside Jetson and some others. Jetson's other roles include the media ministry, graphic design ministry, worship team, and leading the evangelism outreach ministry.

The Bible Chapel has partnered with Sami since the Summer of 2023.

AUGUST 2024

PRAISE:

PRAYER

I am still looking for a I am still looking for a new job to help fund our life of full-time ministry. With my residency, I have more flexibility in where I am able to work, but I am still praying for something that aligns with what God has me here for and where I can impact London the most!

- Raising finances for Arise Camp! Jetson and I are working on raising £230 (\$291.00) for the 10 day camp. We believe God will provide so we are able to fully invest in London during this time of evangelism, worship nights, and more. (details on the camp can be found in the newsletter!)

- Prayers for the Arise Camp in general. This is such a big outreach for our team and our ministry, it also requires a lot of late nights and planning. Prayers that our team would have good health, grace for one another, and that God would give the wisdom on when to push and when to rest during these busy weeks.

- The Cave continues to find its footing. The insurance team came to visit, so prayers that things would go smoothly. It is also a time where our team ministries are growing and finding new paths of reaching people. We have started hosting events as well, which has helped us reach more people!

- We also ask for prayers for our church worship team. Recently, our worship pastors moved home which has led to the need for others to step in for the time being. Jetson is a big part of the worship team and is on almost weekly, so he has seen the stretch firsthand. Please keep them all in your prayers through this season! And for our incredible worship pastors who moved back home, we love them and miss them but know God is with them in this new season of adjusting from a mission field to a life at home.
